SSW ROLLING STOCK SECURITY AGREEMENT

SECURITY AGREEMENT dated as of October 13, 1988, made by St. Louis Southwestern Railway Company, a Missouri corporation with its principal office at Southern Pacific Building, One Market Plaza, San Francisco, California 94105 (the "Grantor"), to Security Pacific National Bank ("SPNB"), with an office at 40 East 52nd Street, New York, New York 10022, as agent (the "Agent") for the banks (the "Acquisition Banks") designated as such in the Acquisition Credit Agreement (as hereinafter defined), for the banks (the "Working Capital Banks") designated as such in the Working Capital Credit Agreement (as hereinafter defined) and for any Acquisition Bank as a party to any Interest Rate Agreements referred to below (the "Swap Parties").

W I T N E S S E T H

WHEREAS, SPTC Holding, Inc. ("SPTC Holding") has entered into a Share Purchase Agreement dated as of December 24, 1987 (as amended from time to time, the "Purchase Agreement") among SPTC Holding, Rio Grande Holding, Inc. (formerly named Rio Grande Industries, Inc. and hereinafter referred to as "RGH"), Santa Fe Southern Pacific Corporation and Southern Pacific Company ("SPC"), pursuant to which SPTC Holding has agreed to purchase all of the outstanding capital stock of Southern Pacific Transportation Company ("SPTC"), owner of 99.93% of the outstanding capital stock and 99.81% of the outstanding preferred stock (other than certain redeemable preference shares) of the Grantor, from SPC upon the terms and conditions set forth therein (the "Acquisition"); and

WHEREAS, the Acquisition Banks and the Agent have entered into a Credit Agreement dated as of October 13, 1988 (as it may be amended, supplemented or otherwise modified from time to time, the "Acquisition Credit Agreement") with SPTC Holding for the purpose of enabling SPTC Holding to make the Acquisition; and

THIS INSTRUMENT IS ALSO INTENDED
TO BE EFFECTIVE AS A FINANCING
STATEMENT.

WHEREAS, the Working Capital Banks and the Agent have entered into a Credit Agreement dated as of October 13, 1988 (as it may be amended, supplemented or otherwise modified from time to time, the "Working Capital Credit Agreement"; the Working Capital Credit Agreement and the Acquisition Credit Agreement referred to hereinafter together as the "Credit Agreements") with SPTC Holding for the purpose of financing the working capital needs of SPTC and its Subsidiaries, including the Grantor, following the Acquisition and certain other purposes; and

WHEREAS, the Acquisition will permit the Grantor to operate its rail systems as an integrated, single-line system with the Denver and Rio Grande Western Railroad Company and will afford the Grantor an opportunity to achieve certain potential benefits therefrom (the ICC having concluded that the combined system would be financially stronger than the two systems operating separately); and the Acquisition will permit the Grantor and its subsidiaries to have the use of funds borrowed under the Working Capital Credit Agreement for future operations; and

WHEREAS, SPTC Holding is required by the terms of the Acquisition Credit Agreement to enter into certain secured interest rate agreements (the "Interest Rate Agreements") with one or more of the Acquisition Banks; and

WHEREAS, the Grantor has executed and delivered a Guaranty (the "SSW Guaranty") to the Agent in connection with (i) the advances (the "Acquisition Advances") to be made by the Acquisition Banks under the Acquisition Credit Agreement, (ii) the advances (the "Working Capital Advances") to be made by the Working Capital Banks and amounts outstanding under the letters of credit (the "Letters of Credit") to be issued by SPNB under the Working Capital Credit Agreement and (iii) the obligations of SPTC Holding under the Interest Rate Agreements; and

WHEREAS, it is a condition precedent to the making of the initial Acquisition Advances by the Acquisition Banks and the initial Working Capital Advances by the Working Capital Banks and the issuing of the Letters of Credit by SPNB that the Grantor shall have entered into this Security Agreement and granted the security interests contemplated hereby, and it is a condition subsequent to the making of the initial Acquisition Advances by the Acquisition Banks that SPTC Holding enter into the Interest Rate Agreements, secured by the security interests contemplated hereby; and

WHEREAS, except as otherwise set forth herein, any term used but not defined herein shall have the meaning given to it in the Acquisition Credit Agreement or the Working Capital Credit Agreement, as the case may be, and if such term is defined in both the Acquisition Credit Agreement and the Working Capital Credit Agreement, it shall be used herein to include both meanings.

NOW, THEREFORE, in consideration of the premises and in order to induce the Acquisition Banks to make the Acquisition Advances, the Working Capital Banks to make the Working Capital Advances, SPNB to issue the Letters of Credit and the Swap Parties to enter into the Interest Rate Agreements, the Grantor hereby agrees with the Agent for its benefit and the ratable benefit of the Acquisition Banks and the Working Capital Banks, and subject to the provisions of Section 2 below, the benefit of the Swap Parties, as follows:

SECTION 1. Grant of Security. As security for the due and punctual payment of the Obligations (as defined in Section 2), the Grantor hereby grants, assigns, pledges and transfers to the Agent for its benefit and the ratable benefit of the Acquisition Banks and the Working Capital Banks, and subject to the provisions of Section 2 below, the benefit of the Swap Parties, a security interest in each and all of the following properties and rights, whether now owned or hereinafter acquired (the "Collateral"):

(a) (i) All railroad rolling stock (including, without limitation, all of the locomotives, freight cars, cabooses, work equipment and official cars, automotive transport racks and other railroad rolling stock), excluding equipment relating to maintenance of way and maintenance of equipment, described in Schedule A hereto, and

(ii) all property ("Subsequently Available Equipment") of the Grantor of a type described above that is not listed in Schedule A hereto (whether now owned or hereafter acquired by the Grantor) and which, as of any date of determination,

(A) was acquired by the Grantor prior to the Acquisition Date and is not subject to any Lien (other than a Permitted Prior Lien) of a type permitted under Section 5.2(a)(iii) or (viii) of each of the Credit Agreements, or

is subject on the Acquisition Date to one of the Tax Benefit Transfer Leases or Equipment Leases described on Schedule D hereto and such agreement has expired or terminated or the lessor under such agreement has consented to the assignment of the Grantor's rights in such property hereunder, or is subject to any of the foregoing Liens with respect to which the Grantor is legally or contractually entitled, at insubstantial cost, to obtain a prompt and full release from the related lienholder, provided that the Grantor shall not be obligated hereunder to exercise any purchase option under any Capitalized Lease, or

(B) is acquired by the Grantor after the Acquisition Date and more than one year prior to the date of determination and

(x)(1) is not subject to any Lien incurred within one year of the date of the purchase of such property for the purpose of securing financing substantially similar to that customarily secured by Liens described in Section 5.2(a)(iii) of each of the Credit Agreements and

(2) is not subject to any Lien of a type permitted under Section 5.2(a)(viii) of each of the Credit Agreements incurred within one year of the date of the purchase of such property or incurred more than one year after such date pursuant to Section 6(b), or

(y) is subject to any Lien of a type referred to in clause (x)(1) or clause (x)(2) with respect to which the Grantor is legally or contractually entitled, at insubstantial cost, to obtain a prompt and full release from the related lienholder, provided that the Grantor shall not be obligated hereunder to exercise any purchase option under any Capitalized Lease

(collectively, the "Equipment" and each singly, an "Item of Equipment"), together with all accessories, equipment, parts and appurtenances appertaining or attached to any Item of Equipment, whether now owned or hereafter acquired by the Grantor, and all substitutions, renewals or replacements of and additions, improvements, accessions and accumulations to any and all of said Equipment (excluding, however, all property of a type described in subclause (i) of this Section 1(a) that is not identified on Schedule A hereto and that fails to meet the definition of Subsequently Available Property).

As used in this Agreement, "Liens" shall include leases of Equipment from the Grantor to third parties.

(b) All rights now or hereafter of Grantor under any of the lease agreements between the Grantor and SPTC listed in Schedule B hereto (the "Equipment Leases") relating to certain items of Equipment, as the same have or may be amended or otherwise modified and in effect from time to time, including, without limitation, (i) all rights of the Grantor to receive proceeds of any insurance, indemnity, warranty or guaranty with respect to the Equipment Leases, (ii) all claims of the Grantor for damages arising out of or for breach of or default or misrepresentations under the Equipment Leases or any documents, instruments or opinions delivered pursuant thereto, and (iii) all rights of the Grantor to compel performance and otherwise to exercise all remedies thereunder (collectively, the "Contract Rights Collateral"); provided, however, that none of the Grantor's duties or obligations under the Equipment Leases are granted, assigned, pledged, transferred or assumed hereunder.

(c) All instruments, documents of title, books and records of the Grantor concerning the foregoing property, including, without limitation, all manuals and all data and records and component lists and manuals relating to the Equipment and all computer programs, print-outs and other computer materials and records pertaining to the Equipment (excluding any such computer programs, printouts or other materials and records to the extent any transfer of such information by the Grantor would violate any license restrictions binding on the Grantor or rights of unaffiliated parties under copyright or similar laws).

(d) All issues, income, profits and avails from, and proceeds of, any and all of the foregoing Collateral, including, without limitation, (i) all rents and other payments of every kind payable as the result of any use or possession of any Equipment, (ii) all payments under insurance (whether or not the Agent is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Collateral, and (iii) all cash, wherever located, constituting issues, income, profits and avails from, and proceeds of, any and all of the Collateral described in this Section 1.

SECTION 2. Security for Obligations. The Collateral secures the payment of the following obligations in the following priority and order of payment: first, all obligations of the Grantor now or hereafter existing under the SSW Guaranty in respect of the Credit Agreements, the Notes and the other Loan Documents, including any extensions, modifications, substitutions, amendments and renewals thereof, whether for payment of principal, interest, fees, breakage costs, indemnities, expenses or otherwise, and all obligations of the Grantor now or hereafter existing under this Agreement; and, second, all obligations of the Grantor now or hereafter existing under the SSW Guaranty in respect of the Interest Rate Agreements (all such obligations of the Grantor being the "Obligations").

SECTION 3. Grantor Remains Liable. Anything herein to the contrary notwithstanding, (a) the Grantor shall remain liable under the Equipment Leases to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Agent of any of the rights hereunder shall not release the Grantor from any of its duties or obligations under any of the Equipment Leases, and (c) neither the Agent nor any Acquisition Bank, Working Capital Bank or Swap Party shall have any obligation or liability under any of the Equipment Leases to any Person on account of the pledge of the Contract Rights Collateral to the Agent under this Agreement or otherwise, nor shall the Agent or any Acquisition Bank, Working Capital Bank or Swap Party be obligated to perform any of the obligations or duties of the Grantor thereunder or to take any action to collect or enforce any claim thereunder.

SECTION 4. Representations and Warranties. The Grantor represents and warrants to the Agent, the Acquisition Banks, the Working Capital Banks and the Swap Parties as follows:

(a) The principal place of business and "chief executive office" of the Grantor (as such term is used in paragraph 5(c) of the Official Uniform Comment to Section 9-103 of the UCC, as hereafter defined), and the location where the Grantor keeps any material books and records concerning the Collateral, are at the address first specified above for the Grantor.

(b) During the preceding five years, the Grantor has not been known as or used any corporate or fictitious name other than that specified on the signature page hereof, nor does the Grantor have any trade name other than "Cotton Belt" and "Cotton Belt Line" (under which trade names the Grantor has executed no instrument or document during the past five years).

(c) Each of the Equipment Leases as amended to the date of execution and delivery hereof, true and complete copies of which have been delivered to the Agent, has been duly authorized, executed and delivered by all parties and is in full force and effect and binding upon and enforceable against all parties in accordance with its terms. No event has occurred and is continuing, or will occur as a result of the performance of this Agreement, that constitutes or would constitute an event of default under any of the Equipment Leases or would constitute such an event of default but for the requirement that notice be given or time elapse or both.

(d) The Grantor has the right and all requisite corporate authority to grant a valid first priority Lien on the Collateral to the Agent, except for the Liens on the Equipment existing on the date hereof as set forth in Schedule C hereto and except for statutory Liens of a type described in Section 5.2(a)(iv) or (vi) of the Credit Agreements which do not require filing in order to take priority over perfected security interests ("Permitted Prior Liens"), for the uses and purposes herein set forth.

(e) The Grantor is the legal and beneficial owner of the Collateral, and holds title to the Equipment,

free and clear of any and all Liens of any nature and kind except for Permitted Liens. As used herein, "Permitted Liens" shall mean (i) the Lien created by this Agreement, (ii) with respect to Equipment, the Equipment Leases, (iii) Permitted Prior Liens, (iv) car usage and interchange or other like agreements customary in the industry in the ordinary course of the Grantor's business and (v) Liens permitted under Section 5.2(a)(iv) or (vi) of the Credit Agreements. No effective financing statement or other instrument of similar effect covering all or any part of the Collateral is on file in any recording office, with the ICC, in any state or in any other jurisdiction, except such as may have been filed in connection with Permitted Prior Liens or in favor of the Agent relating to this Agreement.

(f) This Agreement creates a valid security interest in the Collateral as security for the payment of the Obligations. Upon the filing and recording of this Agreement with the ICC in accordance with § 11303 of Title 49 of the United States Code and the rules and regulations thereunder, and upon the filing of financing statements (the "Financing Statements") under the Uniform Commercial Code as the same may, from time to time, be in effect in the State of New York, or in any other jurisdiction for which the Uniform Commercial Code would govern the attachment, perfection or priority of security interests in the Collateral by reason of mandatory provisions of law (the "UCC") naming the Grantor as debtor and the Agent as secured party, such security interest shall be perfected under the UCC and the Interstate Commerce Act ("ICA"), such security interests shall be prior to all other Liens, other than Permitted Prior Liens, and such security interests are not subject to any other Lien or to any agreement purporting to grant to any Person other than the Agent a security interest in any of the Collateral, except for Permitted Liens. No further filings, recordings or other actions are or will be necessary to perfect or maintain the priority of such security interests other than the timely filing of UCC continuation statements. This Agreement and all documents to be filed therewith are in appropriate form for filing with the ICC. This Agreement is in appropriate form for filing as a Financing Statement under the UCC and will be duly filed pursuant to the UCC.

(g) Except for the filings referred to in subsection (f) above and as otherwise specified in Section 4.1(d) of the Credit Agreements, no authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body or other Person that has not been received, taken or made is required either (i) for the grant by the Grantor of the security interests granted hereby or for the execution, delivery or performance of this Agreement by the Grantor, or (ii) for the perfection and maintenance of the security interests created hereunder, or the exercise by the Agent of the other rights provided for in this Agreement or the remedies in respect of the Collateral pursuant to this Agreement.

(h) On or before the date hereof, the Grantor has delivered to the Agent a correct and complete list of all agreements or arrangements to which the Grantor is a party or by which it is bound pursuant to which any Lien described in subclause (ii)(A) of Section 1(a) has been granted, and indicating for each such agreement or arrangement (a) the nature of such Lien, including the name of the secured party and the date of the related security agreement or similar instrument, the current amount of Debt secured by such Lien and any effective financing or similar statements that have been filed or recorded with respect to such property (and any filing or recording numbers associated with such filings or recordations), (b) the date on which such agreement or arrangement is scheduled or anticipated to terminate and (c) a general description of the property subject to such Lien, including the number and type of Items of Equipment and approximate cost or market value of such Equipment. The Items of Equipment listed in Schedule A and the property subject to the agreements or arrangements listed in the schedule delivered to the Agent pursuant to Section 4(h) together constitute all property of a type described in Section 1(a) owned by the Grantor as of August 31, 1988.

(i) All representations and warranties made or deemed made with respect to the Grantor in the Credit Agreements and the SSW Guaranty are true and correct in all material respects as of the date made or deemed made under any of the Loan Documents, except for such changes therein as would be permitted by the terms of any of the Loan Documents.

(j) Each Item of Equipment complies in all material respects with all laws and regulations applicable thereto and with the rules and regulations of the AAR.

(k) All taxes, levies, claims, charges, assessments, fines, fees and other liabilities relating to the Equipment have been paid when due and before the same shall become delinquent (or the Grantor has established reserves for payment thereof to the extent required under generally accepted accounting principles consistently applied), and all filings in respect of any such taxes, assessments, fines, fees and other liabilities have been timely made.

SECTION 5. Covenants of the Grantor.

(a) The Grantor agrees that it will, at its expense, cause the security interest in the Collateral to remain a continuously perfected first-priority (except for Permitted Prior Liens) security interest free and clear of any Liens other than Permitted Liens as long as this Agreement shall remain in effect, and from time to time, at its own expense, the Grantor will promptly execute and deliver all further instruments and documents and take all further action, that may be necessary or desirable, and that the Agent may reasonably request, in order to perfect and protect any security interest granted or purported to be granted hereby or to enable the Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, the Grantor will: (i) use its best efforts with respect to 100% of the Equipment, and in any event within 6 months of the Acquisition Date with respect to 25% of the Equipment, within one year of the Acquisition Date with respect to an additional 25% of the Equipment and within 18 months of the Acquisition Date with respect to an additional 25% of the Equipment, cause at all times to be continuously marked plainly, distinctly, permanently and conspicuously on each side of each Item of Equipment, in letters not less than one-half inch in height, and on each of its records pertaining to the Collateral the legend, "SUBJECT TO A SECURITY AGREEMENT WITH SECURITY PACIFIC NAT. BANK, AS AGENT, FILED WITH THE ICC," or other appropriate markings designated by the Agent, indicating that the Equipment and other Collateral are subject to the Lien granted hereby, (ii) execute and file such financing or continuation statements, or amendments thereto, and such other collateral assignments, security agreements, instruments or notices, as may

be required by law or reasonably requested by the Agent, in order to perfect and preserve the security interests granted or purported to be granted hereby, and (iii) defend the title to the Collateral and the Agent's Lien thereon against the claim of any Person claiming against or through the Grantor (except with respect to Permitted Prior Liens) and maintain and preserve such Lien so long as this Agreement shall remain in effect.

(b) The Grantor shall not change, or permit to be changed, the railroad car numbers of any Items of Equipment specified in Schedule A (or any numbers of any Items of Equipment which may have been added thereto or substituted therefor as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Agent and which previously shall have been filed and recorded by the Grantor in like manner as this Agreement.

(c) The Grantor hereby authorizes the Agent to file any financing or continuation statements and similar notices required by applicable law, and amendments thereto, relative to all or any part of the Collateral without the signature of the Grantor where permitted by law. A carbon, photographic or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

(d) The Grantor will furnish to the Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral, including, without limitation, information regarding the location, condition, use and operation of the Equipment, as the Agent may reasonably request, all in reasonable detail.

(e) The Grantor will furnish to the Agent from time to time as the Agent may reasonably request, an opinion of counsel acceptable to the Agent to the effect that this Agreement has been filed and recorded, all other documents, including all financing or continuation statements, have been filed, and all other action has been taken, to perfect and validate continuously from the date hereof the security interests granted hereby.

(f) The Grantor will perform and comply with all of its covenants and obligations contained in the SSW Guaranty.

(g) Any and all property of any type described or referred to in Section 1 which is hereafter acquired shall ipso facto, and without any further conveyance, assignment or act on the part of the Grantor or the Agent, become and be subject to the security interest herein granted as fully and completely as though specifically described herein. The Grantor will, as soon as possible but in no event later than 90 days following the Availability Date (as defined below) with respect to any Subsequently Available Equipment, notify the Agent that such property has become Subsequently Available Equipment, and prepare and file a supplemental filing with the ICC, under the recordation number assigned to this Agreement, indicating the addition of such item to the list of Collateral consisting of Equipment in Schedule A, and take all such actions or cause such actions to be taken as may be necessary, advisable or reasonably required by the Agent to establish, preserve, protect or perfect the first-priority (except for Permitted Prior Liens) security interest of the Agent in such Equipment under this Agreement. With respect to any item of Subsequently Available Equipment, the "Availability Date" means the first day on which such Subsequently Available Equipment meets the definition of Subsequently Available Equipment pursuant to Section 1(a)(ii).

(h) The Grantor shall, no later than the 30th day of each Fiscal Quarter, commencing with the first Fiscal Quarter of 1989, notify the Agent of the purchase of any property of a type described in subclause (i) of Section 1(a), occurring since the last report delivered under this Section (or, in the case of the first such report, since the Acquisition Date) and provide a schedule indicating for each such item, identified by road or serial number in numerical order, (a) the date of purchase, (b) a description of the property, including the type of equipment, any AAR mechanical designation, any identifying marks and such other identifying information as the Agent shall reasonably request with respect to such acquired equipment, and (c) the existence and nature of any applicable Liens, including the name of the secured party and the date of the related security agreement or similar instrument, the dollar amount initially secured by such Lien and any effective financing or similar statements that have been filed or recorded with respect to

such property (and any filing or recording numbers associated with such filings or recordations).

(i) The Grantor shall permit the Agent to inspect all of the Collateral and the records maintained in connection therewith during normal business hours of the Grantor or at such other times as the Agent may reasonably request.

(j) The Grantor shall notify the Agent as soon as possible, but in any event no later than 30 days prior to the date thereof, of any of the following: (i) any change in the Grantor's principal place of business or chief executive office or location where books and records concerning the Collateral are kept; (ii) any change of the Grantor's name from the name set forth on the signature page hereof; and (iii) any change in the legal structure of the Grantor.

(k) The Grantor will not create or suffer to exist any Lien upon or with respect to any of the Collateral, except for Permitted Liens, and the Grantor will not take any action, or fail to take any action, with respect to the Permitted Prior Liens that might adversely affect the Agent's security interest in, or possible net proceeds after an Event of Default upon, the Collateral subject to such Liens, including, without limitation, any agreement to refinance, extend the maturity or increase the amount of the Debt secured by such Lien and the failure to obtain the complete release of such Lien from the secured party promptly upon becoming legally or contractually entitled to such release.

(l) Except as otherwise expressly provided for herein or in the Credit Agreements, the Grantor will not, without the prior written consent of the Agent, permit any of the Collateral to be sold, assigned (by operation of law or otherwise), transferred, conveyed, otherwise disposed of or leased (any such action, a "transfer") at any time. If such transfer is permitted pursuant to the Credit Agreements (including, without limitation, sales under the General Rehabilitation and Improvement Program or asset sales, to the extent permitted under Section 5.2(g)(iv) or (vii) of the Credit Agreements), upon compliance with the terms thereof including delivery of sales proceeds to the Agent to the extent required by Section 2.5(b) of the Acquisition Credit Agreement and upon the Agent's receipt of adequate assurances that the Lien of this Agreement shall continue unimpaired on all Collateral which has not been transferred, the Grantor shall have the right to obtain from the Agent

the release of such transferred Collateral within ten days following notice to the Agent.

SECTION 6. Possession of Equipment; Release of Equipment for Replacement Obligations; Use and Maintenance of Equipment; Insurance.

(a) So long as no Event of Default or Default under either of the Credit Agreements shall have occurred and be continuing, the Grantor shall be entitled to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto. The Grantor will not lease, sublease or otherwise relinquish possession, or enter into any contract or arrangement obligating it to relinquish possession, of any Equipment, except that so long as no Default of the type described in Section 6.1(a)(ii) of the Acquisition Credit Agreement or Section 6.1(a)(iii) of the Working Capital Credit Agreement and no Event of Default shall have occurred and be continuing and so long as the action to be taken does not affect the security interest created under this Agreement, the Grantor may (i) subject any Item of Equipment to car usage or interchange or other like agreements customary in the industry in the normal course of the Grantor's business and (ii) deliver possession of any Item of Equipment to the manufacturer thereof for testing or similar purposes or to any organization for service, repair, maintenance or overhaul work.

(b) So long as no Event of Default or Default under either of the Credit Agreements shall have occurred and be continuing, the Grantor shall be entitled to obtain the release of any Collateral from the Lien of this Agreement to the extent such Collateral is necessary to satisfy any obligation by the Grantor (absent an election by the Grantor to make cash payments at its option, if any) to replace lost, retired, damaged, destroyed or worn out equipment under a conditional sales or equipment trust agreement to which the Grantor is a party. Upon the Agent's receipt of certification that such Collateral is necessary for such purpose and adequate assurances that the Lien of this Agreement shall continue unimpaired on all Collateral not to be so released, the Grantor shall have the right to obtain from the Agent the release of such transferred Collateral within ten days following notice to the Agent.

(c) The Grantor at its own expense will maintain and service each Item of Equipment and comply with a preven-

tive maintenance schedule which will include testing, repair and overhaul of each Item of Equipment so that each Item of Equipment will remain (i) in at least as good order and condition as on the date hereof, ordinary wear and tear excepted (and in any case in as good order and condition as a prudent operator of property of the same type as the Equipment would maintain), (ii) in material compliance with any and all applicable laws and regulations and eligible for railroad interchange in accordance with the rules of the Association of American Railroads ("AAR") and (iii) suitable for immediate purchase or lease and immediate regular use by a Class I line-haul railroad (not then or prospectively a debtor in any insolvency or reorganization proceedings) in the event of sale upon foreclosure hereunder. In no event shall any Item of Equipment be maintained or scheduled for maintenance on a basis less frequent than the maintenance or maintenance scheduling basis employed by the Grantor or any of its Subsidiaries for any similar equipment.

(d) The Grantor shall at all times keep accurate, complete and current records (complying with the requirements of the AAR, the FRA and any other governmental body with jurisdiction and any other regulations from time to time in force and with good commercial practice) of all maintenance carried out with respect to each Item of Equipment.

(e) The Grantor will at all times comply in all material respects with all laws of the jurisdictions in which its operations involving the Collateral may extend, with the interchange rules of the AAR and with all rules of the Department of Transportation, ICC and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Grantor or the Collateral, to the extent that such laws and rules affect the title, operation or use of the Collateral, and in the event that such rules or laws require any alteration, replacement or addition of any part on any Item of Equipment, the Grantor will conform therewith, at its own expense; provided, however, that the Grantor may in good faith contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Agent, adversely affect the Collateral or the rights of the Agent under this Agreement.

(f) The Grantor will, at all times during the term of this Agreement, obtain and maintain in effect at its own expense policies of insurance, including, without limi-

tation, property insurance covering each Item of Equipment and product liability, public liability, property damage, other casualty, property and liability insurance upon and relating to the Equipment with responsible and reputable insurance companies or associations and in such amounts and covering such risks as are usually and customarily carried by Class 1 line-haul railroads and in any event in such amounts and covering such risks as policies maintained by the Grantor and its Subsidiaries on similar equipment owned by it, with deductible or self-insured retention provisions to no greater extent than are included in such policies. Each insurance policy issued in connection therewith shall be in full force and effect in any geographical areas in which the Equipment may be used at any time and shall name the Agent as an additional insured party, and shall provide by way of endorsements, riders or otherwise that, with respect to first-party insurance coverage, proceeds will be payable to the Agent as its interest may appear, and with respect to all insurance coverage, (x) such insurance policy shall be renewed, if renewal is available, and shall not be cancelled, endorsed, altered or reissued to effect a change in coverage for any reason and to any extent whatsoever unless such insurer shall have first given the Agent thirty (30) days' prior written notice thereof; and (y) the Agent may, but shall not be obliged to, make premium payments to prevent any nonrenewal, cancellation, endorsement, alteration or reissuance and such payments shall be accepted by the insurer to prevent same. The Agent shall be furnished with the original of each such initial policy or a certificate with a duplicate of such original policy promptly after the execution of this Agreement and the original of each renewal policy or a certificate with a duplicate of such renewal policy not fewer than ten (10) days prior to the expiration of the initial or each preceding renewal policy together with receipts or other evidence that the premiums thereon have been paid to the extent such premiums have become due. Upon request by the Agent, the Grantor shall furnish to the Agent a statement certified by the Grantor or a duly authorized officer of the Grantor of the amounts of insurance maintained in compliance with this Section 6(f), of the risks covered by such insurance and of the insurance company or companies which carry such insurance. Grantor shall give immediate written notice to insurers of loss or damage to the Collateral and shall promptly file proofs of loss with insurers. Grantor hereby assigns to the Agent all sums which may become payable under such insurance including return premiums and dividends, as additional security for the Obligations hereby secured.

SECTION 7. Application of Condemnation and Casualty Insurance Proceeds.

(a) In the event that any Item of Equipment is destroyed, lost, stolen, irreparably damaged, condemned or taken by any governmental entity or otherwise becomes unusable in the business of the Grantor (a "Casualty Loss"), then the Grantor shall be entitled, subject to the provisions of subsection (b) below, to retain any proceeds payable as a result of each such Casualty Loss, whether in respect of insurance proceeds, condemnation awards or otherwise (collectively, "Casualty Loss Proceeds"). Such Casualty Loss Proceeds shall constitute additional Collateral hereunder in accordance with the following provisions and shall be held in trust for the benefit of the Agent and shall be promptly turned over to the Agent on a quarterly basis pursuant to subsection (c) below to be held by the Agent as Collateral as aforesaid.

(b) So long as no Default or Event of Default shall have occurred and be continuing, all Casualty Loss Proceeds with respect to the Collateral may be retained initially, subject to the security interest of this Agreement, by the Grantor in trust for the benefit of the Agent. All Casualty Loss Proceeds with respect to the Collateral shall be released from the security interest of this Agreement when and as necessary to pay for the repair, replacement or reconstruction of the Collateral subject to such Casualty Loss, provided that:

(i) at the time of any such release of funds no Default or Event of Default shall have occurred and be continuing;

(ii) the repair, replacement or reconstruction of such assets shall be reasonably anticipated to be completed prior to the termination of this Agreement; and

(iii) each release of funds may be conditioned upon delivery to the Agent of such certificates, waivers of mechanic's liens, or other documentation as the Agent may reasonably request.

(c) If, during any Fiscal Quarter, the Casualty Loss Proceeds shall not have been applied by the Grantor pursuant to the preceding paragraph (b) within 180 days from the receipt thereof by the Grantor, such Casualty Loss Pro-

ceeds shall, within 30 days after the end of such Fiscal Quarter, be paid over to the Agent and thereafter be retained by the Agent as additional security for the Obligations under Section 1, until SPTC Holding has satisfied its obligations with respect thereto pursuant to Section 2.5(d)(ii) of each Credit Agreement, at which time the Agent will release such proceeds (without interest) to the Grantor; provided, that the Grantor shall nonetheless repair, replace or reconstruct the Equipment which shall continue to be used by the Grantor to the extent necessary to comply with Sections 6(c) and 6(e).

(d) The Grantor shall provide to the Agent within 30 days after the end of each Fiscal Quarter a written schedule of (i) each Casualty Loss occurring after the Acquisition Date known to the Grantor and not previously reported to the Agent that is likely to give rise to a payment of Casualty Loss Proceeds, including the Collateral affected by such Casualty Loss, the nature and estimated or actual amount of such Casualty Loss and an estimate of the amount of Casualty Loss Proceeds to be paid in respect of such Casualty Loss, (ii) the amount of each payment of Casualty Loss Proceeds made after the Acquisition Date and not previously reported to the Agent, and (iii) the amount of each payment of Casualty Loss Proceeds required to be paid over to the Agent with respect to such Fiscal Quarter pursuant to subsection (c) above.

SECTION 8. As to Contract Rights Collateral and Equipment Leases.

(a) The Grantor shall keep the office where it keeps the original copy of each of the Equipment Leases at the location therefor specified in Section 4(a) or, upon 30 days' prior written notice to the Agent, at such other locations in a jurisdiction where all actions required by Section 5(a)(ii), if any, shall have been taken with respect to the Equipment Leases. The Grantor will hold and preserve each of the Equipment Leases and will permit representatives of the Agent at any time during normal business hours to inspect and make abstracts therefrom.

(b) The Grantor shall, at its expense:

(i) Perform and observe each of its material obligations under the terms of the Equipment Leases now or hereafter in effect (except when the amount or validity of such obligations is being contested in good

faith) and assert and enforce, in a timely and effective manner, any rights that it may have against any other Person under any of the Equipment Leases, except to the extent that the failure to take such action would not adversely affect the interest of the Agent hereunder.

(ii) In each case after request by the Agent, furnish to the Agent promptly upon receipt thereof copies of all notices, requests and other documents received by the Grantor under or pursuant to the Equipment Leases during the term of each of the Equipment Leases and from time to time (A) furnish to the Agent such information and reports regarding the Equipment Leases as the Agent may reasonably request, and (B) upon request of the Agent make such demands and requests for information or action upon such Persons as the Grantor is entitled to make under the Equipment Leases.

(c) The Grantor shall not cancel, terminate, amend or modify the Equipment Leases or take any other action with respect to the Equipment Leases (other than performance in the ordinary course pursuant to the terms thereof), unless the Grantor shall have given the Agent 10 Business Days' notice of such change and such change would not adversely affect the interest of the Agent hereunder.

SECTION 9. Agent Appointed Attorney-in-Fact. The Grantor hereby irrevocably appoints the Agent the Grantor's attorney-in-fact, coupled with an interest, with full authority in the place and stead of the Grantor and in the name of the Grantor or otherwise, from time to time in the Agent's discretion, to take any action and to execute any instrument which the Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation:

(a) after the occurrence and during the continuance of an Event of Default or a Default under either of the Credit Agreements, to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral,

(b) to receive, endorse, and collect any drafts or other instruments, documents and chattel paper, in connection with clause (i) above,

(c) to file any claims or take any action or institute any proceedings which the Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Agent with respect to any of the Collateral,

(d) to obtain, adjust or cancel any insurance pertaining to the Collateral and endorse settlement drafts, and

(e) after the occurrence and during the continuation of an Event of Default or a Default under either of the Credit Agreements, to consent to any cancellation, termination, amendment, modification or other action in respect of any Equipment Lease on behalf of the Grantor or to exercise any rights thereunder, including any available repurchase option.

SECTION 10. Agent May Perform. If the Grantor fails to perform any agreement contained herein, the Agent may itself perform, or cause performance of, such agreement, and the expenses of the Agent incurred in connection therewith shall be payable by the Grantor under Section 14(b).

SECTION 11. The Agent's Duties. The powers conferred on the Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in possession and the accounting for moneys actually received by it hereunder, the Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Agent may appoint agents and nominees to hold the Collateral hereunder; provided that no such agent or nominee shall be directly or indirectly controlled by the Grantor.

SECTION 12. Remedies.

(a) If any Event of Default under either of the Credit Agreements shall have occurred and be continuing, the Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the ICA and the UCC (whether or not the UCC applies to the affected Collateral) and also may exercise any or all of the following rights and remedies:

(i) The Agent personally, or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Equipment, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Grantor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Equipment, or use and operate or lease the Equipment until sold.

(ii) The Agent may take possession of the Equipment by requesting that the Grantor deliver possession of the Equipment to the Agent. Each Item of Equipment so delivered shall meet the standards then in effect, if any, under the interchange rules of the AAR applicable to railroad equipment of the same type as the Equipment. For the purposes of delivering possession of the Equipment to the Agent as above required, the Grantor shall at its own cost, expense and risk:

(A) forthwith and in the usual manner (including but not by way of limitation, giving prompt telegraphic and written notice to the AAR and all railroads or other parties to which any Equipment has been interchanged or which are using the Equipment to return the Equipment so interchanged) place such Equipment upon such storage tracks as the Agent reasonably may designate;

(B) permit the Agent to store such Equipment on such tracks at the risk of the Grantor without charge for insurance, rent or storage until such Equipment has been sold, leased or otherwise disposed of by the Agent; and

(C) transport the same to any reasonable destination on the Grantor's railroad lines or to any connecting carrier for shipment to a particular destination, all as directed by the Agent.

The assembling, delivery, storage, insurance and transporting of the Equipment as hereinbefore provided shall be at the expense and risk of the Grantor and are of the essence of this Agreement, and upon application to any court of equity having jurisdiction in the premises the Agent shall be entitled to a decree against the

Grantor requiring specific performance of the covenants of the Grantor so to assemble, deliver, store and transport the Equipment. During any storage period, the Grantor will, at its own cost and expense, insure, maintain and keep the Equipment in good order and repair and will permit the Agent or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Equipment, to inspect the same. All rents and per diem charges earned in respect of the Equipment after the Agent shall take possession of the Equipment shall belong to the Agent and, if received by the Grantor, shall be promptly turned over to the Agent. In the event any Item of Equipment is not assembled, delivered and stored as hereinabove provided, within 90 days after request by the Agent, the Grantor shall, in addition, pay to the Agent for each day thereafter, until such Item of Equipment is so assembled, delivered and stored, in an amount equal to the amount, if any, by which interest, computed at a rate equal to 3-1/2% per annum above the Prime Rate in effect from time to time, on the AAR Destroyed Value as hereinafter defined of such Item of Equipment for each such day exceeds all gross amounts earned with respect to such Item of Equipment and received by the Agent for each such day. The "AAR Destroyed Value" shall mean the settlement value for destroyed equipment established in Rule 107 of the Field Manual of the interchange rules of the AAR.

(iii) In connection with any taking of possession, or other disposition, of any Equipment by the Agent under this Section, the Grantor shall promptly deliver to Agent at Agent's request all logs, manuals and data, and inspection, modification and overhaul records required to be maintained with respect to the Equipment or any part thereof ("Information") under applicable rules and regulations of the AAR, the Federal Railroad Administration ("FRA") and any other governmental body or organization with jurisdiction, and any other Information otherwise maintained or available with respect to the Equipment, including all computer programs, print-outs and other computer materials and records pertaining to the Equipment, and all such Information necessary to file any reports required by the AAR, the FRA and any other governmental body with jurisdiction over the sale or transfer of ownership of any Equipment to any other party. To the

extent the transfer of any computer materials referred to above would violate any license restrictions binding on the Grantor or rights of third parties under copyright or similar laws, Grantor shall promptly take all action necessary to obtain such consents of third parties as may be necessary for such transfer and, if such consents cannot be obtained, make such use of such materials on the Agent's behalf as the Agent, in its sole discretion, shall direct.

(iv) The Agent may (A) exercise any and all rights and remedies of the Grantor under or in connection with the Equipment Leases or otherwise in respect of the Collateral, including, without limitation, any and all rights of the Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, each of the Equipment Leases, and (B) without notice except as specified below, sell, either with or without taking possession and either before or after taking possession, in one or more sales the Collateral or any part thereof at public or private sale, at any of the Agent's offices or elsewhere, or otherwise dispose of the Collateral for cash, on credit or for future delivery, and upon such other terms as the Agent may deem commercially reasonable. The Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to the Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Agent, the Acquisition Banks, the Working Capital Banks and the Swap Parties shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or claim of the Grantor. To the extent permitted by applicable law, the Grantor waives all claims, damages and demands against the Agent, any Acquisition Bank, any Working Capital Bank and any Swap Party arising out of the repossession, retention or sale of the Collateral.

(b) All cash proceeds received by the Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be held by the Agent as collateral for the Obligations, and shall promptly be applied (after payment of any amounts pursuant to Section 14) in whole or in part by the Agent for the ratable benefit of the Acquisition Banks and the Working Capital Banks, and for the ratable benefit of any Swap Parties, in the order specified by Section 2 but otherwise as the Agent shall elect, against all or any part of the Obligations as such Obligations become due and payable. Any surplus of such cash or cash proceeds held by the Agent and remaining after payment in full of all the Obligations shall be paid over to the Grantor or to whomsoever may be lawfully entitled to receive such surplus.

SECTION 13. Security Interest Absolute. All rights of the Agent and security interests hereunder, and all obligations of the Grantor hereunder, shall be absolute and unconditional, irrespective of:

(a) any lack of validity or enforceability of either of the Credit Agreements or any of the other Loan Documents, any Transaction Document, any Interest Rate Agreement or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations or any other amendment or waiver of or any consent to any departure from either of the Credit Agreements or any of the other Loan Documents, any Transaction Document, any Interest Rate Agreement or any agreement or instrument relating thereto;

(c) any exchange, release or non-perfection of any security, or any release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Obligations;

(d) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation, or the like of the Grantor, any of its Affiliates or any party to any of the Equipment Leases;

(e) any exercise or non-exercise, or any waiver, by the Agent, any Acquisition Bank, any Working Capital Bank or any Swap Party of any right, remedy, power, or

privilege under or in respect of either of the Credit Agreements or any of the other Loan Documents or Working Capital Loan Documents, any Transaction Document, any Interest Rate Agreement or any agreement or instrument relating thereto; or

(f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Grantor or a third party grantor of a security interest.

Without limiting the generality of the foregoing, the Grantor hereby consents to, and hereby agrees that the rights of the Agent and the security interests hereunder, and the obligations of the Grantor hereunder, shall not be affected by any and all releases of any Collateral from the Liens created by this Agreement or otherwise, whether for purposes of sales or other dispositions of assets pursuant to Section 5.2(g) of either Credit Agreement or for some other purpose, except to the extent expressly provided in such releases.

SECTION 14. Indemnity and Expenses.

(a) The Grantor agrees to indemnify and hold harmless the Agent, the Acquisition Banks, the Working Capital Banks and the Swap Parties from and against any and all claims, losses and liabilities arising out of or resulting from this Agreement (including, without limitation, enforcement of this Agreement and any claim, loss or liability arising out of any undertakings made to third parties in connection with such parties' consent to the granting of the security interest hereunder), except claims, losses or liabilities resulting from the indemnified Person's gross negligence or willful misconduct.

(b) The Grantor will upon demand pay to the Agent the amount of any and all out-of-pocket costs and expenses, including the reasonable fees and out-of-pocket expenses of its counsel and of any experts and agents, which the Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement of any of the rights of the Agent, the Acquisition Banks, the Working Capital Banks or the Swap Parties hereunder or (iv) the failure by the Grantor to perform or observe any of the provisions hereof.

SECTION 15. Amendments; etc. No amendment or waiver of any provision of this Agreement nor consent to any departure by the Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

SECTION 16. Addresses for Notices. All notices and other communications provided for hereunder shall be in writing (including telegraphic, telex and facsimile transmission) and, if to the Grantor, mailed, telegraphed, telexed, telecopied or delivered to it at the address or telecopy number of the Grantor specified in the SSW Guaranty, and if to the Agent, mailed, telegraphed, telexed, telecopied or delivered to it at the address or telecopy number of the Agent specified in Section 8.2 of the Acquisition Credit Agreement, or as to either party at such other address or telecopy number as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section. All such notices and other communications shall be effective when received if mailed, delivered to the telegraph company if telegraphed, confirmed by telex answerback if telexed and transmitted if telecopied, respectively, addressed or telecopied as aforesaid.

SECTION 17. Continuing Security Interest; Transfer of Obligations. This Agreement shall create a continuing first-priority (except for Permitted Prior Liens) security interest in the Collateral and shall (i) remain in full force and effect until the latest of the payment in full of the Obligations, the Termination Date and the Working Capital Termination Date, (ii) be binding upon the Grantor, its successors and assigns and (iii) inure, together with the rights and remedies of the Agent hereunder, to the benefit of the Agent, the Acquisition Banks, the Working Capital Banks, the Swap Parties and their respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (iii), the Agent, any Acquisition Bank, any Working Capital Bank and any Swap Party may assign or otherwise transfer any Obligation held by it, or any interest therein, to any other Person and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Person herein or otherwise, subject, however, to the provisions of Article VII and Section 8.8 of each of the Credit Agreements and to any applicable provisions in any Interest Rate Agreement. After the later of

the Termination Date and the Working Capital Termination Date, and upon the earlier of (a) the payment in full of the Obligations and (b) the date on which no Debt is outstanding and no other amount is due and payable under either of the Credit Agreements or the Notes and there has been a release of Mortgaged Properties from the Lien of the Mortgages under Section 2.2(b) of the Mortgages, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to the Grantor. Upon any such termination, the Agent will, at the Grantor's expense, execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination.

SECTION 18. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 19. No Waiver, etc. The Agent shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies under this Agreement and no waiver shall be valid unless in writing, signed by the Agent, and then only to the extent therein set forth. A waiver by the Agent of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Agent would otherwise have had on any future occasion. No failure to exercise nor any delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law. All rights, remedies and powers provided by Section 12 of this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of Section 12 are intended to be subject to all applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable in whole or in part or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

SECTION 20. GOVERNING LAW; TERMS. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. UNLESS OTHERWISE DEFINED HEREIN OR IN THE CREDIT AGREEMENTS, TERMS USED IN ARTICLES 8 AND 9 OF THE NEW YORK UNIFORM COMMERCIAL CODE ARE USED HEREIN AS THEREIN DEFINED.
